

Elementary Workbooks Lesson Plan for the Standard Curriculum

The Elementary Workbooks were created to go along with the Elementary Lesson Book. Since the Elementary Lesson Book covers most of the Standard Lesson Book #1, these Workbooks MAY be used with the Standard Pacific Northwest Curriculum. However, be aware that questions, wording, and lessons may not line up perfectly.

This is an optional lesson plan. Do NOT attempt to do all lessons each day. This would be overwhelming and too much. Instead choose ONE lesson to have your child complete. Alternately, your child can choose to color as many lessons as he/she wants for that day, but not complete all of the worksheets.
